INTRODUCTION & DEFINITIONS

Landini Digital Solutions offer a range of advanced functionalities to improve performance, efficiency and profitability of the farmers.

My Landini – App

Thanks to **My Landini** you will have **direct access to all Landini digital solutions**. You can discover promotions and special offers, keep updated about Landini news and events and look for your nearest dealer.

Landini Fleet & Remote Diagnostics Management – App

The telematics system that monitors the key tasks of your fleet of tractors:

- Tractor position and parameters such as speed, engine rpm and fuel consumption.
- Data analysis to establish the productivity and performance of each machine and calculate the company's economic margins.
- Remote diagnostics for troubleshooting, reducing downtime and extending machine life.
- Registration of working data to update the work log and maximise performance.

Landini Farm – App

Platform for managing agronomic data:

- Farm management
- Agronomic models
- Sensor integration
- Prescription maps
- Traceability and Sustainability

Landini PSM System – Service accessible through RTK system

Precision Steering Management made possible by satellite navigation with RTK correction system such as X25 monitor, to carry out work in the open field to a deviation of only 2 cm from the set course.

Landini Efficiency Plan – Service accessible from My Landini App

With the Landini Efficiency Plan you will always be in control of the preventive maintenance your tractor needs to keep it running efficiently every day.

Discover the checks that need to be carried out and the necessary spare parts, directly on My Landini app.

confirm to be:

- the owner of the tractor
- the delegate with authority to sign contracts (with reference to a specific farm)
This functionality gives the possibility to bigger farms to have legal representative to sign the contract (instead of the owner) and to automatically generate a contract where it is stated that who signs the contract is not the owner, but instead someone of the farm with the legal authority to sign the contracts
- none of the 2
